## THE WOBM 40<sup>TH</sup> CHRISTMAS CLASSIC... A TRUE HOLIDAY TRADITION!

**W**elcome to the 40<sup>th</sup> annual WOBM Christmas Classic, presented by Jersey Mike's and hosted by Townsquare Media and the Toms River Regional School District. Once again, 32 varsity basketball teams (16 boys/16 girls) will be participating and playing 48 games over five days at the RWJBarnabas Health Arena. The tournament was established in 1984 as a replacement for the Southern Regional Roundball Festival and began with eight boys teams playing over three days at Ocean County College. The girls division was added in 1994 and the tournament moved to the campus of Toms River High School North in 2003. Today, the WOBM Christmas Classic is one of the largest holiday basketball tournaments in New Jersey. Special thanks to the Toms River School District and Board of Education for hosting the event and providing such an outstanding facility for the participants.

## 40<sup>TH</sup> WOBM CHRISTMAS CLASSIC TIP-OFF

**A**S MOST OF YOU KNOW BY NOW THIS IS THE FINAL YEAR FOR THE WOBM CHRISTMAS CLASSIC. MANY HAVE ASKED ME WHY SO I WILL SHARE THE FOLLOWING ANNOUNCEMENT MADE LATE LAST MONTH:

Christmas Classic founder/  
director Kevin Williams

The origin of the WOBM Christmas Classic starts with a meeting among Ocean County basketball coaches over the news that Southern Regional was no longer hosting the Roundball Festival which had been a holiday staple for years. I happened to be in that meeting and one of the items being discussed was seeking a neutral court for a tournament as opposed to playing on someone's home court. I suggested Ocean County College and while most were in favor of that they doubted the facility would be available.

This was 1984 and at the time two of the owners of WOBM were active members of the college's Board of Trustees. I approached them with the idea of not only holding the tournament at OCC but WOBM (and me) running it. We had a

great run there, sold out the finals every year and created a real buzz. After adding the girls division and expanding the boys to 16 teams we moved to the brand new arena at Toms River North which is now the RWJBarnabas Health Arena.

It's now 40 years for the WOBM Christmas Classic and I'm proud to say it has become a true holiday tradition. The 40th Annual tournament featuring 32 teams will run from December 26-30 and it will be the last one in its current format...in other words with me running the show and under the WOBM banner. The decision after four decades was mine and mine alone as I am technically retired from Townsquare Media and doing other things.

40 years of giving up Christmas week is enough, especially with two grandkids who live out of the area. My wife and I want to spend more time with them during the holidays and putting together this tournament is pretty much an all-year task which I know longer wish to do.

Maybe somebody will come along and try and run a similar tournament and I wish them well. It won't be under WOBM as my superiors realize that I handle all aspects and there is nobody who could carry this on. I appreciate them allowing this to be the swan song.

All good things do come to an end. The WOBM Christmas Classic has been a good thing for the players, coaches and fans for 40 years. I hope we go out with a bang...and a few tears.

## Happy RETIREMENT

KEVIN WILLIAMS

KEVIN WILLIAMS: LOCAL SPORTS LEGEND & FOUNDER AND DIRECTOR OF THE WOBM CHRISTMAS CLASSIC.

Kevin Williams is an icon in Ocean County sports as the founder and director of the Christmas Classic for 40 years. Although that may be what he is known for by many, at the Crab's Claw restaurant in Lavallette, NJ, he is also a loyal customer and our dear friend for over four decades. Kevin has made an unforgettable impact on all of the Crab's Claw crew, especially Sam Hammer Sr., founder and owner of the restaurant since it opened in 1979. Kevin and Sam continue to value their tradition of prioritizing their friendship, bonding over sports, lunch, drinks, and of course, WVU & Penn State football games.

The entire Crab's Claw family have also had the privilege of watching Kevin's kids grow alongside him and his wife Jane as well as have them join the Crab's Claw staff during their younger years. We are so grateful for all the years of friendship and know that Kevin and Jane will remain in our family for many years to come. We wish Kevin and wonderful retirement from this amazing annual tournament.

**ACADEMIC SCHOLARSHIP RECIPIENTS**

Since the WOBM Christmas Classic was established in 1984 we have awarded scholarships to participants based on their performance in the classroom. The inaugural recipient was Southern Regional's John Klimkiewicz who has gone on to become a highly-regarded orthopedic surgeon and has served as the head team physician for the Georgetown Hoyas and the NHL's Washington Capitals.

The way the program works is schools are eligible to nominate their top graduating senior player following graduation. We then sort through the nominations, make sure the student is a full-time college student and select four males and four females. Each of them is invited to attend the final games on December 30 and receive a \$500 scholarship which is provided by Community Medical Center, RWJBarnabas Health. Officials of the hospital make the presentations to these outstanding academic achievers.
